CITB-ConstructionSkills, CIC and
CITB-ConstructionSkills Northern Ireland
are working as ConstructionSkills, the
Sector Skills Council for Construction

The Event

CITB-ConstructionSkills Northern Ireland have released the next stage of our 2011 FREE Construction Employer Information Events to be held throughout Northern Ireland.

NORTHERN IRELAND

The economic recession has had a significant impact on our industry and in this downturn you should be making the most of our services and getting what you are entitled to in order to stay ahead.

We would like to invite you to an information seminar to give you up-to-date advice and guidance on what we can offer you. This is your opportunity to find out more about:

- Our Interactive online services
- Grants scheme & levy
- Our other services
- Other funded training initiatives

You will also have the opportunity to meet members of our Management Team.

Our guest speaker is from Health and Safety Works NI (HSWNI), the free and confidential government health and safety advisory service. This session will outline the practical steps you can take to keep your workers safe, stay within the law and compete successfully for contracts in today's marketplace. HSWNI business advisers will also be available on the day to answer any specific health and safety queries you might have.

*These seminars are **free** and include tea/coffee and light refreshments on arrival.*
