

Construction Industry Employers

We need your input to review National Occupational Standards (NOS)

The following National Occupational Standards (NOS) need to be reviewed to ensure they are current and fit for purpose.

The suites in development in 2021-2022 are:

- ▶ Construction Contracting Operations Management
- ▶ Construction Contracting Operations.
- ▶ Heritage Skills
- ▶ Stonemasonry
- ▶ Cladding Occupations
- ▶ Chimney Occupations
- ▶ Operable Partitions

Have your say

To participate, you should be experienced in the occupation being covered and be able to provide the level of detail required to ensure that the Standards (NOS) reflects current industry practice.

Representation from training providers and industry bodies are invited to respond as your continued support is valued and essential.

You can have your say in a number of ways

By attending a Remote National Working Group Meeting via Microsoft Teams

National Occupational Standards (NOS)

National Occupational Standards (NOS) define the competences which apply to job roles or occupations in the form of statements of performance, knowledge and the evidence required to confirm competence.
