- Site Waste Management Plans

**12.30** Close and Networking

### Speaker Profiles

**Mark McKane**, MRICS, FHEA, MSc Construction Management (Project Management), BSc (Hons) Quantity Surveying. Lecturer / Course Director in BSc (Hons) Quantity Surveying & Commercial Management

Mark is a member of the Construction Industry Council (CIC) BIM Regions - Northern Ireland Steering Group. He has experience working in commercial management of civil engineering construction projects and as a consultant project manager on various building construction projects spanning 15 years.

He moved into education in 2004 and he has recently registered to undertake a research PhD on BIM implementation within NI construction sector and has jointly published a number of short papers on embedding BIM within the Higher Education taught curriculum.

**Richard Robinson**, Sustainability Manager with Lagan Construction, is responsible for Sustainability across all Lagan Construction sites. A career environmentalist Richard has over 18 years' experience implementing environmental best practice in construction on major projects in the UK and overseas.

**\* PPE essential**
