

## SKILLBUILD NI INTER-CAMPUS COMPETITOR SURVEY RESULTS

CITB NI aim to improve the Inter-Campus SkillBuild Competitor experience for all entrants, to help achieve this the Northern Ireland Competitors (January / February 2020) were asked to complete a short survey. The findings from the survey are shown below.

### 1 COLLEGE PARTICIPATION

Six main NI colleges represented with varying levels of competitors

3

SkillBuild NI Competitors were asked if they'd consider becoming an ambassador/mentor

### 2 GENDER - MALE/FEMALE

These results reflect the male dominance through construction training. CITB NI continue to support females within construction through the 'Women in Construction Network' and through 'Careers in Construction promotion'

4

CITB NI aim to establish a SkillBuild NI Competitor Network - **35% agreed** to be included with **65% not** at this stage - this is an area CITB NI hope to improve on

### 5 TRADE OCCUPATIONAL AREA - 10 AREAS

6

SkillBuild NI Competitors were asked to rate their experience of the competition on a scale of 1 to 5 with 1 meaning Excellent and 5 meaning poor

7

Competitors were asked if they would recommend the SkillBuild Competition to other New Entrants with a high majority indicating they would recommend SkillBuild NI Competition

8

When competitors were asked how many hours of training they'd undertaken prior to the competition a varied response was received with the majority 71% completing between 0-7 hours of training
