

CITB NI Construction Careers Bootcamps

CITB NI extends a warm invitation to Year 10/11 students interested in a future in construction to join us at one of our Construction Bootcamps.

These one-day bootcamps, held at Nutts Corner Training Centre, offer an opportunity to delve deeper into the world of construction careers. Participants will explore the diverse roles and pathways within the industry and engage in hands-on construction job sampling activities in:

- Joinery
- Painting & Decorating
- Brickwork
- Wall & Floor Tiling

The job sampling activities are organised and delivered by an approved training provider and will take advantage of CITB NI's newly developed simulated construction site. These activities are designed to enhance students' understanding of the requisite skills and assist them to identify the trade occupation that aligns best with their skill set.

- Each bootcamp is limited to 80 student places and will be on a first come, first served basis.
- Students will be divided into 4 groups of 20 (with accompanying teachers).
- Each of the 4 job sampling sessions will last 55 minutes.
- Students and Teachers will be required to complete online feedback after the event.

 **When:** Two dates available – 11 or 18 June 2024

 **Where:** CITB NI, Nutts Corner Training Centre, 17 Dundrod Road, Crumlin, Co. Antrim, BT29 4SR

 **Time:** 9:30am-3pm (Registration from 9am)

A contribution of £50 per school will be provided towards transport costs to attend the event. Tea/Coffee and lunch will be provided for visiting teachers. Students are advised to bring their own snacks and lunch.

Places are limited to 20 students per school and a reserve list will be in place.

Book your places now by emailing alison.mcclean@citbni.org.uk and stating number attending, school name and contact details for accompanying teacher(s).
