Constructive Conservation

Working with Traditional Buildings

ARE YOU CURIOUS TO UNDERSTAND HOW TRADITIONAL BUILDINGS DIFFER FROM MODERN BUILDINGS?

FREE Half Day Heritage Training Seminar delivered by Professor John Edwards

Thursday 30th May 2019
at CITB NI

9:30am-1pm

CITB NI is working in partnership with the Historic Environment Division, Department for Communities to facilitate a free half day seminar for those interested in furthering their knowledge of current best practice on approaching work in heritage buildings – both designated and non-designated.

Who should attend?

This seminar will be of interest to the general construction industry, both on site and office based, together with the staff involved in the training of students and apprentices in the construction sector.

Programme

9:15-9:30am Registration, Tea/Coffee & Networking

9:30am Introduction

- Standards & Guidance
- Difference between traditional and other buildings
