

Digital Construction / Building Information Modelling (BIM)

Trials and Testing Workshop

GET INVOLVED

Be part of the new era in construction?

Wherever you are on the journey to Digital Construction / Building Information Modelling (BIM), whether experienced or just beginning come along and join us. Have your say at the first round of trials and testing on the latest training and self-assessment routes currently being developed.

Event Date: Tuesday 26 February 2019
Time: 9am - 11am
Venue: CITB NI, 17 Dundrod Road, Crumlin, BT29 4SR

Workshop Outcome:

The workshop will demonstrate and showcase the latest software packages that have been developed for digital construction and BIM.

Workshop Programme:

| | |
|--------------------|---|
| 09:00-09:10 | Welcome and introductions |
| 09:10-09:15 | Curriculum Development and Map |
| 09:15-09:40 | BIM Principles, context and essentials – includes 20min trials |
| 09:40-10:05 | BIM Fundamentals, key terminology, benefits and value of BIM workflow – includes 20min trials |
| 10:05-10:20 | Demo of BIM energy assessment/ BIM tools and energy performance |
| 10:20-10:30 | BIM ready online materials |
| 10:30-10:40 | Workshop summary & evaluation |
| 10:40-11:00 | Networking and close |

Who should attend?

- The event is open to all within the construction industry to attend irrespective of their role and knowledge level of digital construction.

How will the findings be used?

- The findings from the workshop will help the developers finalise the digital construction training programme and will provide you with a better insight into how you and your business can benefit at all levels.

What next?

- To reserve your place(s) and confirm your attendance, please click on the [Eventbrite link](#).

Where can I find out more?

- To find out more visit CITB NI's website at <https://citbni.org.uk/Funded-Projects.aspx>
