

Further Education/Higher Education Construction Courses 2024/25

QUALIFICATION		COLLEGE/UNIVERSITY
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Foundation Degree in Architectural Technology ▶ Foundation Degree in Civil Engineering ▶ Foundation Degree in Construction Engineering with Surveying 	Other Courses: <ul style="list-style-type: none"> ▶ Civil Engineering L3 National Diploma or FdEng ▶ Construction & Built Environment L3 National Extended Dip ▶ Construction Management HNC ▶ Building Services HNC ▶ Architectural Technology FdSc ▶ Construction Engineering with Surveying FD/ FdSc ▶ Property Housing & Planning FdSc 	Belfast Metropolitan College www.belfastmet.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Foundation Degree in Construction Engineering with Surveying ▶ Foundation Degree in Architectural Technology ▶ HNC in Modern Methods of Construction 	Other Courses: <ul style="list-style-type: none"> ▶ Construction & Built Environment L3 National Extended Dip ▶ Architectural Technology FD ▶ Construction Engineering with Surveying FD ▶ Modern Methods of Construction HNC 	Northern Regional College www.nrc.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Construction Management (with Renewables) (HNC) 	Other Courses: <ul style="list-style-type: none"> ▶ Construction Management (with Renewables) (HNC) ▶ AVTA Construction and the Built Environment (Level 3) 	North West Regional College www.nwrc.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Civil Engineering BEng ▶ Building Information Modelling Project Management MSc ▶ Construction and Project Management MSc ▶ City Planning & Design MSc ▶ Planning & Development MSc Undergraduate Courses: <ul style="list-style-type: none"> ▶ Architecture BSc ▶ Civil Engineering BEng or MEng ▶ Environmental and Civil Engineering MEng ▶ European Planning MPlan ▶ Planning, Environment and Development BSc ▶ Structural Engineering with Architecture MEng 	Postgraduate Courses: <ul style="list-style-type: none"> ▶ Applied Architectural Design MSc ▶ Architecture MArch ▶ Building Information Modelling Project Management MSc ▶ City Planning and Design MSc & PgCert ▶ Construction and Project Management MSc ▶ Planning and Development PgCert & MSc ▶ Professional Practice in Architecture PgCert 	Queens University Belfast www.qub.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Higher National Certificate (HNC) in Civil Engineering ▶ Higher National Certificate (HNC) in Construction Management ▶ Higher National Certificate (HNC) in Building Services Engineering (HVAC) 	Other Courses: <ul style="list-style-type: none"> ▶ Construction & Built Environment BTEC L3 National Extended Certificate ▶ Construction & Built Environment BTEC L3 National Diploma ▶ Construction & Built Environment L3 National Extended Diploma ▶ Civil Engineering L3 National Extended Diploma ▶ Civil Engineering HNC ▶ Building Services Engineering HNC ▶ Construction Management HNC 	South Eastern Regional College www.serc.ac.uk

Further Education/Higher Education Construction Courses 2024/25

QUALIFICATION		COLLEGE/UNIVERSITY
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ BSc Hons Construction (Top-up) ▶ Foundation Degree in Construction (Digital Construction Management) ▶ Foundation Degree in Construction (Quantity Surveying) 	Other Courses: <ul style="list-style-type: none"> ▶ Construction & Built Environment L3 Advanced Tech Award ▶ Civil Engineering L3 National Diploma 	Southern Regional College www.src.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Building Services with Sustainable Energy (Top-up) BEng (Hons) ▶ Foundation Degree in Building Services with Sustainable Energy ▶ BSc (Hons) in Construction Engineering & Management (Top Up) ▶ Foundation Degree in Construction Engineering with Surveying ▶ Foundation Degree in Civil Engineering 	Other Courses: <ul style="list-style-type: none"> ▶ Civil Engineering National Extended Diploma ▶ Construction & Built Environment National Extended Diploma 	South West College www.swc.ac.uk
Higher Level Apprenticeships: <ul style="list-style-type: none"> ▶ Civil Engineering BEng (Hons)/MEng (Hons) ▶ Construction Engineering & Management BSc (Hons) ▶ Digital Construction & Building Information Modelling MSc ▶ Quantity Surveying and Commercial Management BSc (Hons) Undergraduate Courses: <ul style="list-style-type: none"> ▶ Architecture BA (Hons) ▶ Architecture and Technology Management BSc (Hons) ▶ Architectural Engineering BEng (Hons)/MEng (Hons) ▶ Building Surveying BSc (Hons) ▶ Civil Engineering BSc (Hons)/BEng (Hons)/MEng (Hons) ▶ Construction Engineering & Management BSc (Hons) ▶ Quantity Surveying & Commercial Management BSc (Hons) ▶ Planning and Regeneration Development (BSc/MSci) ▶ Energy BSc (Hons) ▶ Real Estate BSc (Hons) 	Postgraduate Courses: <ul style="list-style-type: none"> ▶ Architecture (MArch) ▶ Civil and Infrastructure Engineering (MSc) ▶ Construction Management (MSc) ▶ Fire Safety Engineering (MSc) ▶ Digital Construction and BIM (MSc) ▶ Energy Storage (MSc) ▶ Planning and City Resilience (MSc) ▶ Real Estate (MSc) ▶ Renewable Energy and Energy Management (MSc) ▶ Energy Management & Green Technologies (PG Cert) ▶ Hydrogen Safety (PG Cert) 	Ulster University www.ulster.ac.uk

NB: This publication is intended to provide a summary of FE & HE construction courses available from NI training providers. It is NOT an exhaustive list of all the training or delivery formats offered by these training providers. Further details of training available should be sought directly from the training provider.

For other training please see CITB NI's Training Directory: <https://citbni.org.uk/Training/Approved-Courses.aspx>
