

Level 4 NVQ Diploma in Construction Site Supervision

Highway Maintenance and Repair

Are you looking to develop your staff or yourself as a Highway Maintenance & Repair Supervisor while gaining the NVQ Level 4 at the same time?

Do you already have supervisory responsibilities onsite and wish to achieve a formal qualification?

This work-based qualification could be the one for you.

Who can take part?

This Level 4 NVQ is aimed at potential and current supervisors working in the Highway Maintenance and Repair Sector.

How did this qualification become available?

CITB NI have been working with The Mineral Product Association (NI) Ltd and the Institute of Asphalt Technology to build a developmental programme that will provide formal recognised qualifications to improve both knowledge and performance.

Programme Outcomes:

- Achieve the Level 4 NVQ Diploma in Construction Site Supervision - Highways Maintenance and Repair
- Recognised route to CSR/CSCS Supervisors Gold Card
- Develop technical skills and knowledge in Site Supervision techniques
- Keep updated with current management knowledge and processes

Programme Content:

- Planning & managing work
- Managing people in the workplace
- Managing resources in the workplace
- Maintaining legalities, standards and quality of workmanship

Programme Outline:

- 5 X half day workshops
- Interactive practical sessions using CITB NI's innovative virtual training facility - VET360
- On-site NVQ Assessments
- Toolkit, practical templates and learning resources
- 24 hour access to online NVQ Portfolio

Costs

- £400 for CITB NI registered in-scope employers who have met the eligibility terms and conditions of the direct grants to employers 2020/21
- £1800 all other candidates

Eligibility & Timeframe

- Places are limited to 15 on this programme
- Interested candidates will be asked to complete an eligibility questionnaire to ascertain suitability for the programme
- 4 technical workshops focusing on Highways Maintenance & Repair specialist skills will be delivered alongside the core qualification workshops
