

NVQ 4 Construction Site Supervisor Development Programme

Are you looking to develop your staff or yourself as a Site Supervisor and gain an NVQ 4 at the same time?

Do you already have supervisory responsibilities onsite and wish to achieve a formal qualification?

This work-based qualification could be the one for you.

CITB NI have taken the Construction Site Supervisor qualification and built a developmental programme that will provide formal qualifications while improving both knowledge and performance. This programme is aimed at potential and current site supervisors and site managers working in the construction sector. The programme is also delivered in a

supportive workshop environment alongside personal mentoring, expert advice, support and site visits to help achieve the qualification.

Programme Outcomes:

- Achieve an NVQ Level 4 in Construction Site Supervision
- Recognised route to CSR/CSCS Supervisors Gold Card
- Develop technical skills and knowledge in Site Supervision techniques
- Keep updated with current management knowledge and processes

Programme Content:

- Planning & managing work
- Managing people in the workplace
- Managing resources in the workplace
- Maintaining legalities, standards and quality of workmanship

Programme Outline:

- 5 X half day workshops - due to the current restrictions there will be a blended learning approach via virtual platforms
- Interactive practical sessions using CITB NI's innovative virtual training facility - VET360
- On-site NVQ Assessments
- Toolkit, practical templates and learning resources
- 24 hour access to online NVQ Portfolio

Eligibility & Timeframe

- Places are limited to 15 on this programme
- Interested candidates will be asked to complete an eligibility questionnaire to ascertain suitability for the programme

- The programme will run from October 2020 - May 2021

Costs

- £395 For CITB NI registered in-scope employers who have met the Tier 1 eligibility terms and conditions of the direct grants to employers 2020/21
- £1200 all other candidates
