

SkillBuild NI Regional Competition

Tuesday 21 May 2024

South West College, Technology and Skills
Centre, Killyhevlin, Enniskillen, BT74 4EJ.

The Skills NI competition is designed to test skills, technique, ability within tight timeframes, and to identify the top performers in 12 different trade areas. It is a fantastic opportunity to showcase the high level of skills and the impressive talent within the workforce. Reflecting the high standards of training in our local training network and the commitment to excellence demonstrated by the competitors, SkillBuild NI is about raising the status and standards of professional and technical education and training.

SkillBuild NI couldn't happen without the support of the local sponsors and the training network and we extend our thanks to all who have helped the apprentices to be able to compete at this competition.
